Dear Sir or Madam,

My patent (6,603,221) was granted on August 5, 2003. Since then, I still have not received the formal documents I was supposed to receive after grant of the patent. I sent USPTO an identical letter about a month ago. Please send documents to this address:

Zhongdu Liu

Tel: (281) 340-1478  
Fax: (281) 240-0290  
E-mail: zdliu@msn.com

Please check if it was already mailed out. If so, I would like to know the address it was mailed to. I have contacted my attorney, and they did not receive it. Please reply and send out document as soon as possible. Thank you.

Best regards,

Zhongdu Liu
